A PICTORIAL RECORD

Memories

Each time you look at this yearbook, take some time to travel down memory lane and reflect on the memories stored on these pages. Turn to your picture and reflect on who you were in this picture. Think about how you've changed since this picture was taken. Reflect on the things you've done and what you've learned about yourself. Think back to the dreams you had. Are you fulfilling those dreams or are you creating new ones? Ask yourself the question,"Am I becoming the person I want to be?"

As you look through the pictures in this book and reflect on the memories, you will all have different ones. The grade nines will have memories of their last year in junior high school and the grade seven's will have memories of their first year in junior high school. All of you will have memories of your friends, your teachers and the various activities that happened. Cherish those memories, but remember that what you do each and every day will eventually be a memory also. So make each day count!!!

On behalf of myself and the staff at Edith Rogers, I would like to say "Thank you for the memories!!!"

We would also like to say farewell to the grade nines and extend our best wishes for your continued success in life. We will miss you! Remember, however, you've left us with great memories from your last three years at Edith Rogers!

To the grade seven and eights, we thank you for the memories of this year and look forward to working with you again in creating new memories next year!

To all of you, have a safe, successful summer and remember...

To Students and Staff

I'm glad to say this was another successful year in the Students Union.

We kicked the year off with a welcome week, which included Western days, musical chairs, and a dance.

At the end of October we had our annual magazine sale which I'm glad to say turned out to be a great success.

In March we had a new event at our school called twin day. The students and teachers had great fun dressing up as each other.

I give a special thanks to the room reps who took the time to come to meetings so they could give their classes the information they needed.

The year went well and good luck to people on council next year.

Janet Cho

BUSINESS SKILLS CARNIVAL

This year's Business Skills Class held a carnival to raise money for the grade nine farewell. We were quite impressed by the number of people who participated! Due to the large turnout, we were able to raise over $400! Many of the events in the carnival gave away various prizes. The different booths included a dunk tank, dart-throw, basketball shoot, sponge throw, hocky shoot and all the various food and pop booths as well.Thanks for your participation!

Mr. Rempel Retires!

Mr. Ted Rempel retired in early February this year after serving as Edith Rogers' Principal for two and a half years. Prior to coming to Edith Rogers Ted served the Edmonton Public School District for many years as a teacher, assistant principal, principal and Assistant Superintendant of Personnel. The staff and students of Edith Rogers wish Ted the very best in his retirement years. Relax and enjoy Ted!!

SENIOR GIRLS VOLLEYBALL

The Sr. Girls Volleyball team had a very successful season this year. The team entered 3 tournaments and represented the school very well. The girls placed second in the zone 4 tournament - the highest standing since the school opened. This win allowed th girls to play in the City playoffs. The girls won the following games :

1. City quarter finals - against Parkview
2. City semi finals - against Ritchie

In the City finals game, the girls fought hard and played their best, but unfortunately lost to Kennilworth.

Congratulations Girls on an excellent season.

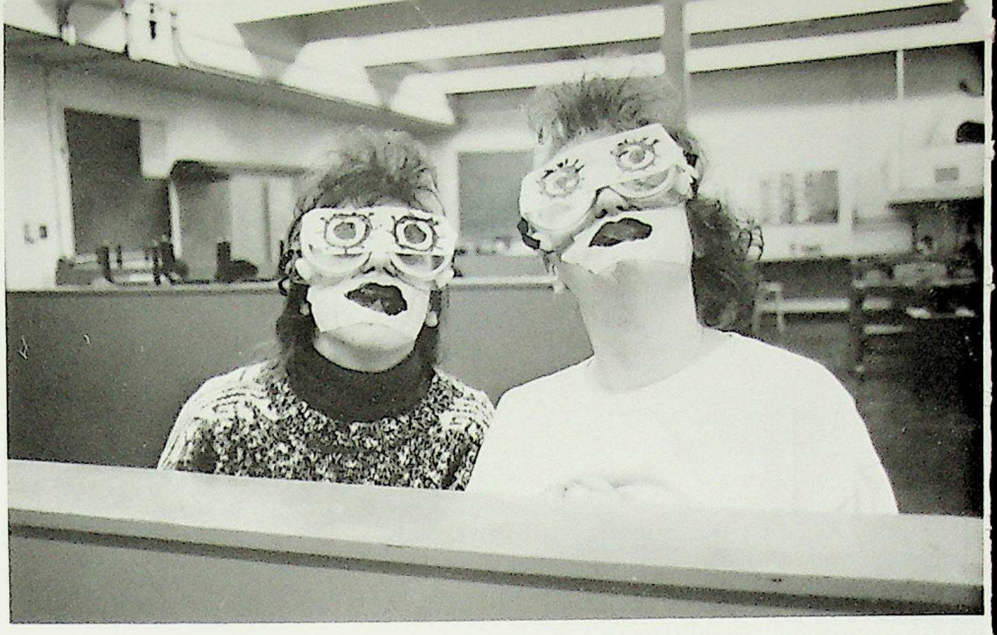
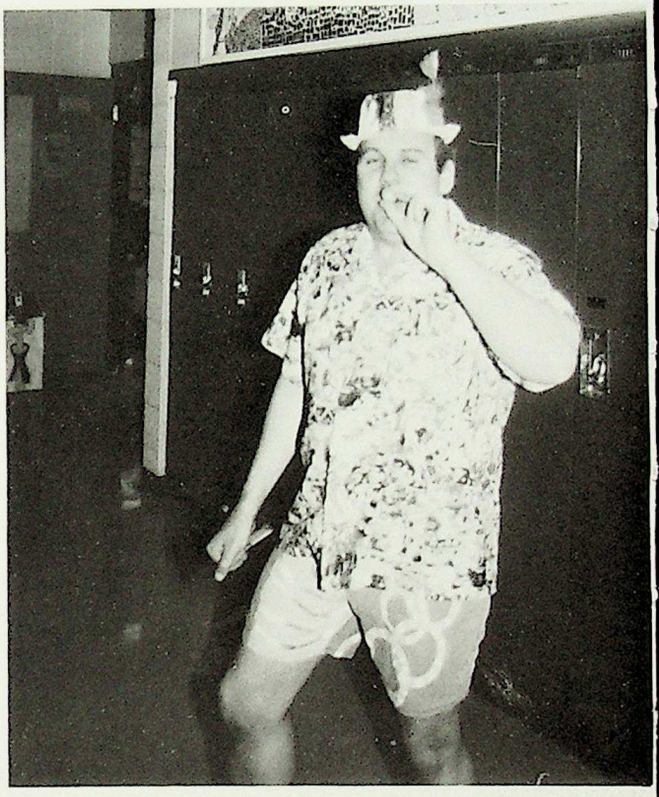
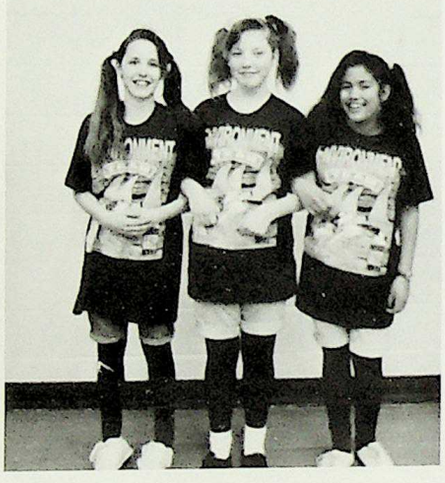
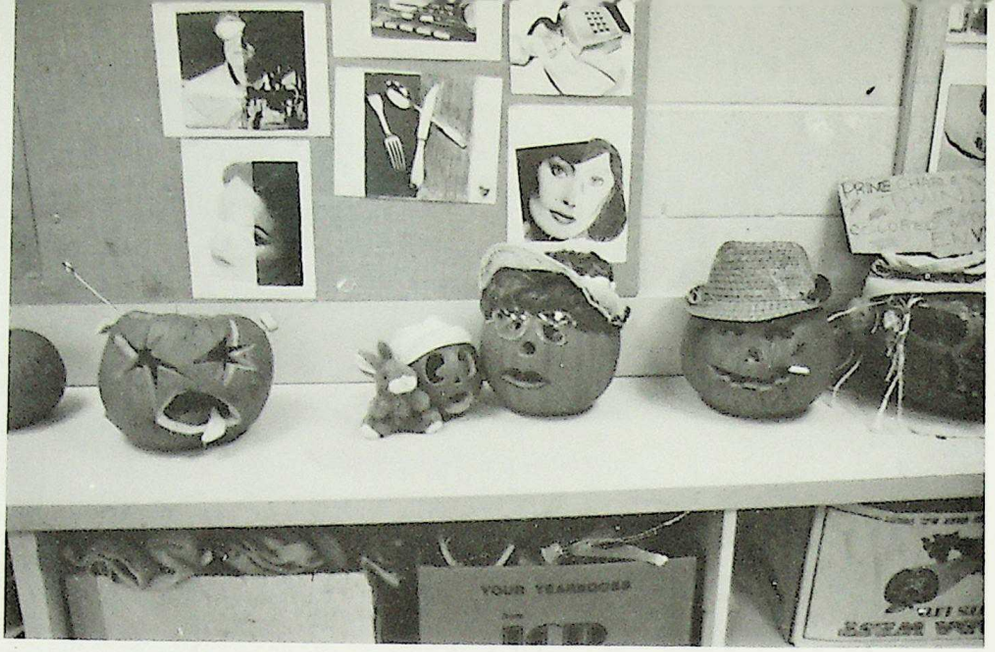
SKI
BUM









On May 1, 1991, I accepted the challenge of opening a new music program at S.Bruce Smith Junior High for the 1991-92 term. Leaving Edith Rogers Jr. High was one of the hardest decisions that I have had to make as a teacher. I leave with many fond memories of the school, the staff, the parents, and most of all, the students . The last fourteen years have been happy ones where I enjoyed coming to school and working with the students. I have made many new friends and will remember all of them.

I have seen many grade 9 students grow into the challenge of high school and I regret not being able to see the current grade seven and eight students do the same. Leaving these students behind made my decision a truly difficult one.

At this time I would like to thank all the members, both past and present, of the Edith Rogers Music Parents Association for the many years of support and encouragement.

I hope that I have been able to instill in the students a love of music in all its forms and the ability to see that they can all achieve success in music or in life with the magic formula - work.

I will miss you all. A.E.Jones

Senior Band

The Senior Concert received a Gold Medal for their performance at Musicfest Alberta in March.They have made this year a year to remember fondly. I will miss the grade nines but I wish them well in their high school years.

The Jazz Band received a Silver Medal for their performance at Musicfest Alberta in March. I would like to thank them for their outstanding co-operation and spirit throughout the entire year.They have been a joy to work with and I wish them all a success in their future musical endeavors.

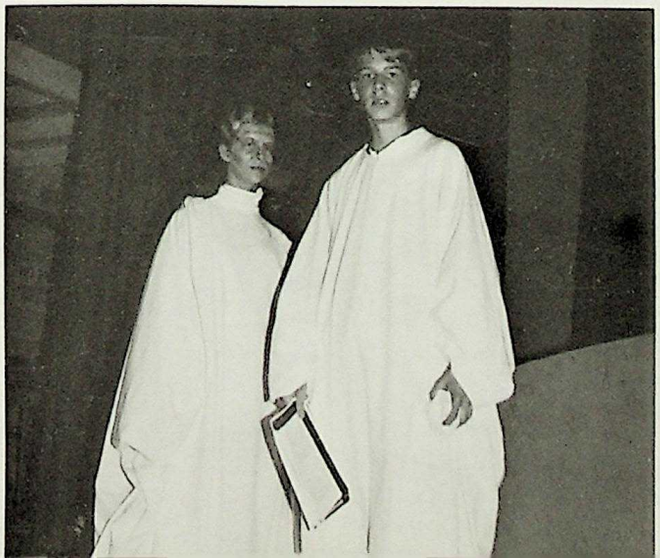
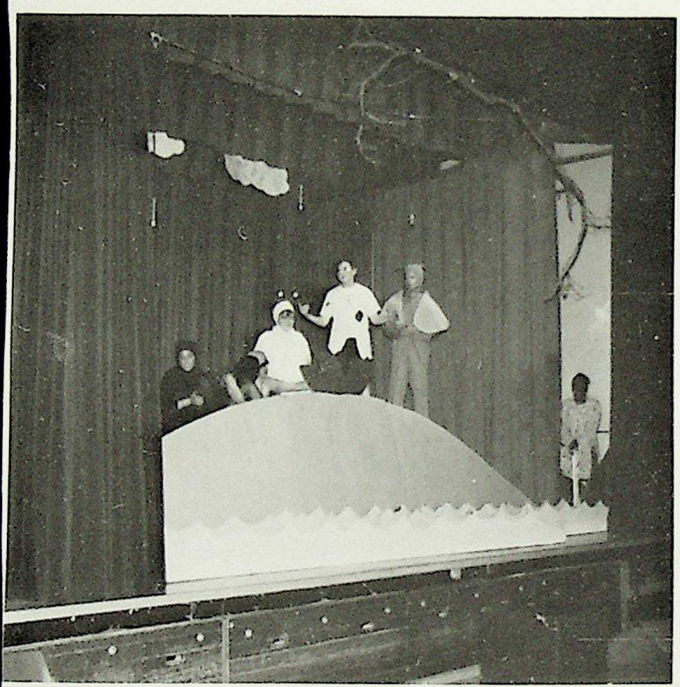
CHRISTMAS LIT

Bunny and Bertha, two mercenary secretaries, were hired to bring law and order to Edith Rogers School during the strike of support staff. As hosts of the Christmas Lit they provided us with some wildly funny moments. Over 80 students entertained an enthusiastic audience on the final day of classes.



DRAMA



OUR TRIBUTE TO ROALD DAHL

From May 21 to 24 Edith Rogers played host to hundreds of elementary students eager to catch a glimpse of "James and the Giant Peach." The acting was professional, the sets and costumes exemplary thanks to the coordinated efforts of the I.A, Home Ec. and Art departments. Congratulations everyone on a wonderfully successful production!

VALEDICTORIAN SPEECH 1991

We, tonight celebrate our grade nine graduation, a night which we shall never forget, and a moment which we will hold in a very special place in our fond memories of junior high. There were many times when we all thought that this day would never arrive, but now that it is here, let us all enjoy tonight with pride and happiness.

When we first entered Edith Rogers three years ago, We were all shy and uncertain. We had little or no concept of the things to come. We were entering a whole new world and everything was unfamiliar and even a little strange. But as we got to know the teachers and school, we found out which water fountain had the coolest water, and which teachers would always listen to our problems whenever we needed some counselling and advice. We gradually developed an air of familiarity with our new environment and gained a sense of pride and belonging.

We, the graduates this year have a great deal to be thankful for. First of all, we must thank the teachers for their care and support. They all had a great influence in making us the way we are today. As well as learning from them, we had the opportunity to become friends with them and share many valuable experiences. We shall always remember Mr. Douglas telling his sick jokes, the glare off Mr. Jones' head, Mr. E. Butler in his gray suit, Mr. D. Butler with his French tunes and his guitar, and even Mr. Simbalist with his huge talks.

We should also thank our parents for their love and their encouragement. When we were about to give up, either in schoolwork or sports, they would encourage us to move on and try again. Their love has given us the hope and strength, that enabled us to work hard during these last three long years and achieve the success that we have all gained today. For this we thank our parents.

But now, we have reached the time when we must move on and enter another new world, with more confidence, maturity, and a higher expectations of ourselves than we had when we began grade seven. Even though we're going our separate ways, wherever they may lead, each one of us will always carry fond memories of junior high with us. These years have been a growing experience for us and the next ones will begin a new and challenging step.

I would like to which each of you every success in the future. Good luck and thank you for joining us this evening.

The Grade Nine farewell was very successful. Many students as well as parents were involved. The annual bottle drive showed the most commitment of all, mainly due to the 14 inches of snow and sleet that fell the night before and during the day. This year's farewell was special as well as emotional because not only were the grade 9s leaving to experience new lives and ideas, so also were many teachers. Farewells as well as life are only as special as you make them.

Good luck and Goodbye.

Student Farewell Chairman Tania Plawke
